“ *Joyce used to be my dental hygienist. Always made me feel comfortable and was such a sweet lady. She worked so hard. I remember when she lost her husband and having her share the pain of the loss. I don't comment a lot on these when its just a past acquaintance, but that just goes to show you how much of an impression her kindness left on me.*

Sad to see she didn't get to enjoy a long retirement, but I know she had faith, so I guess it was her time to go to that eternal home with her Lord.

I am sure she will be sorely missed. Condolences and prayers for her family.

“ *Joyce was such a wonderful, kind soul. She was so patient and never had a mean word. Even for the small children that would kick and try to bite her. She will be missed by many. Dawn DeSutter - Crawfordsville*

“ *Joyce and I shared a bond of common children and grandchildren. She was so selfless - so loving and giving. When I visited with her a few weeks ago, she was worried that our 2 youngest grandchildren would not remember her. I promised her I would do everything I can, to make sure they always know how much she loved them, and I will. This world was a much better place with Joyce in it. I will miss her.*
