“ Steve and family,

So sorry for your loss. Judy always had a smile on her face and I remember meeting her around 1980 or so when she worked at the Parr Law Firm, she was always so pleasant to deal with. Her love for others always shined through and the world has lost a great lady, but Heaven has also gained a beautiful Angel, inside and out. Then we got the pleasure of working with her when she did the ISTEP tutoring at LHS and our daughter loved her and to this day, attributes getting through that because of Judy. Our thoughts and prayers are with you all.

“ I remember how generous and sweet Judy was to my boys after Kent died. She did it without fanfare (in fact she kept it a secret for years!) because she had such a big heart. May she find eternal peace and may your entire family find comfort in your many memories. Love never dies.
