“ Carla, I'm sorry to see of Judy's passing and your loss. I will always remember her as being the nicest sister of one of my classmates. A chance meeting and conversation with her in the mid 70's helped get me through a difficult time in my life. I have never forgotten that. Prayers for you and your family.

“ Not only were our sons classmates (middle school through LHS), she was my beautician for many years in DT Indianapolis. We had many many Mom, Life & Christian discussions. I hadn't been in contact with her personally for 30 years, but have enjoyed seeing her family grow up. She will be missed. Arlene Samuelson

“ Aunt Judy never liked her picture taken. I remember one year we were getting pictures of the family and she crawled under the table just so she wouldn't be in the picture. She had a wonderful sense of humor and will be greatly missed! My prayers for peace and comfort go out to everyone who was fortunate to know her and love her.

*“ Aunt Judy will be greatly missed. I have memories of Aunt Judy that will stay with me forever especially from the holidays. Because of you I have started a tradition with my children...every year at Christmas I buy them a Hallmark ornament just like you used to do for me as a kid. It was something I always loved and looked forward to as a kid when I'd see you at Christmas time. I love you Aunt Judy.
