“ *Judy was a kind person and whenever I saw her, she was always smiling and had a kind word to say. She always talked about her children and later on, always had a funny story about her grandchildren.*

Keep the memories in your heart and she will be with you forever.

*Sending prayers,

“ *JUDY and I were married to men who were best friends . Despite the fact I divorced my husband. We remained friends.
In 2004 Judy and I went on a cruise together. We had a great time. We were in a Casino in Bermuda. Judy took out her phone to take photo of a Parrott. Once she snapped it two Security Guards moved in on us both. I thought they were going to confiscate her phone. But her soft spoken voice kept that from happening
We hailed a taxi and went to Senior Frog for Pina Coladas.
The same taxi driver took us back to the shop. He nick named us Thelma & Louise.
We were friends since 7th grade.
Rest in Peace Judy*
