“ *Julie was such a dear and special friend. From commuting to work, to gal time and catching up on Days of our Lives. Such wonderful times at the State Fair, eating out and our love for pets and love of cruising made our friendship that much more precious. Spending time visiting Pat and being with her other family members and friends made me feel happy whenever we were together. She had a heart of gold and I was fortunate to call her my friend*

“ It was a pleasure to know Julie and to help transport her from her home to visit her mother, then back home again via Boone Area Transport Services. She was very dedicated to seeing her on a regular basis once or twice a week and helping to keep her spirits up.

“ *Pat, Melinda, Jim and Steve:*

I cannot begin to express how heartbroken I am at Julie's loss. Julie was a sister to me for 20 years. She was the best friend that any person could ever ask for. I was fortunate enough to meet her at the Attorney General's office and walk with her to the government center for her to get her daily Diet Coke. From Big Ten Tournament trips to Colts games to Las Vegas and beyond, I loved Julie more than words can ever convey. Mom and Dad thought of her as a daughter and my siblings considered her one of ours. There is a hole in my heart that can never be filled and I just want to say thank you. Thank you for sharing her with me and my family and for being so welcoming to me as a part of yours. Love to you all.

So sorry and shocked to hear this. When Pat was at Crown Pointe, I would see her often with her Mom and out and about sometimes for lunch. She was an awesome daughter who took great care of her Mom. My thoughts and prayers to all.
