“ Larry - I'm terribly sorry to hear about your loss. Unlike so many other couples that married young, you and Karen stuck it out and made your marriage work. That's a tribute to the love and devotion that you had for each other.

“ I was at Lebanon Jr. High. In Larry & Karen's grade. Karen was always nice to me. Then later when I was Food Service Director at Western Boone, I had installed a Milk vending machine. We received a nice write up in the Lebanon Reporter. Karen gave me a call asking about it because some of her students wanted her to get one. It was so nice hearing from her. We had a nice little conversation. I am also a friend of Tamme' & her parents. I am sorry for the loss of your wife, mom, mother in law, & grandmother. Prayers are going up for all of you!
