“ *The Tanselle family were neighbors to the Green's in Lebanon. Dave and I were classmates all thru school. The first time I saw a television set was at Kathleen's home around 1953. I remember playing in their backyard and walking by their home to redeem coke bottles in my little red wagon at Tanselles market. I can remember always being welcome in their home!*

“ *Wishing the Tanselle family comfort and support during this time.*

*Katie was wonderful to our children, Mike and Stacey, during their stay with her. In particular, Stacey was a special needs child and Katie never hesitated to add her to her "family" of other children.*

*Thank you Katie and I am sure your own family will remember all the wonderful time with you.*
