“ My deepest condolences to Ron and Mike. Will always have fond memories of your dad, from him driving me back to Jamestown on his tractor after being snowed in at your house during the blizzard of 78, and to him teaching me how to use a baitcaster on Lake Okeechobee (sometimes cussing me out fixing the rat's nest on made up n the reel 😊). He was a treasure!

“ I only knew Keith briefly while I worked at Arby's but he was one of my favorite regulars, along with his wife. I pray for his family and hope they find everlasting comfort that they are together again.

“ Keith was the sweetest man I had met in a long time. His LOVE FOR his beautiful wife was something wonderful to see. He would come several times a day to see his best friend. He always had a kind word and loved to talk about their trips. Always smiling even in his sadness when Phyliss passed away. He said she was the best farm hand he ever had!! Never afraid of hard work or a kindness to others. May you and Phyliss Rest in Peace ! Together again! Thank you for your kindness!!!
