June 17, 1987 - April 13, 2017

Kelsey Jo (Eller) LaVigne, 29, Oceanside, California, died suddenly on Thursday April 13 at her home in Camp Pemberton, CA. She was born June 17, 1987 in Lebanon, Indiana, to Mike and Peggy (Teter) Eller. “ I will never forget the first time we talked. Kadi and Cort had met in school and really wanted to get together. We talked on the phone for over a half hour. Then I drove to your house and we really hit it off. From then on, it was Cort and Kadi and Kelsey and Jen. We had so many fun times together Kelsey, memories I will cherish for a lifetime. You knew when I needed to have fun, when I needed a shoulder to cry on and when I just needed a kick in the pants. Putting together your wedding to Ben in my backyard was the most special thing I ever did. It breaks my heart that you are no longer with us, although I have realized I don't have to look far to see signs of you. I love you with all my heart Kelsey. Thank you for loving me, as me. Thank you for your bright smile and tender heart. You will always be my best friend, my "sista from another mista" you called us. Rest in peace sweet friend. Know that you may be gone, but you will never, ever be forgotten.

“ I thought of Kelsey as a unique person with that special rare quality of giving us all her gifts of love, faith, kindness, and caring. She excluded no one from her gifts. We all mattered. I knew her only from a distance with visits few and far between. But Kelsey was not to be denied. She was a breathe of fresh air, sunshiny days, stormy weather. No one was immune from her strength of will and determination. Because of her proud grandma Joetta and aunt Edna Mae I received many phone calls and pictures of this beautiful baby, child, teen! As an adult I continued knowing her through Facebook! I can't think of anyone that has left the legacy that Kelsey has! My prayers for her family and dear friends that will miss her forever but will always remember her!

“ I remember Kelsey sitting in my classroom. She paid close attention, but she didn't say too much. I had a feeling that she was really shy, so I was afraid she might "melt down into her seat" if I called on her for anything. She just smiled that sweet smile, whether I passed her in the hallway, or whether she was sitting in my class! I just cannot believe this has happened. The pictures I received online showed her great love for, and pride in her precious family!!
