“ *I meant to say can't be replaced.*

“ *Hey Aunt Kendra, I just want you to know that I miss you so much. You were an amazing aunt, one that can be replaced, I couldn't have asked for a better aunt. Ever. We all miss you. So much. It hurts, but we know you're safe now. I just wish I could've had more time with you. I still can't believe you're gone. Noni is one of my greatest strengths though. She helps me out more than she knows. I love you Auntie. So much, I wish I could see you again.*
