“ I taught Kevin when he was in high school and at the middle school. He was a joy to know and had such great insight to life. He would come to my house on Green Street to visit. He always brightened my day. He is with the Lord now and I pray that God will provide comfort for his loved ones.

“ Sorry to hear of the loss of an old friend. Kevin was so entertaining among our “pack” of friends in our teen years. I have so many memories of those days filled with laughter. Kevin and I went on to work landscaping together where he continued to make the days brighter with his great humor. I know he will be missed by so many people who remember the smile he wore. Thanks for the memories my friend. Rest in Peace Keger!

“ I have so many memories of Kevin. Especially as a young boy. Him wanting to hang out with his big sister and her friends. He was such a great, kind man, with a quick smile. I fondly will remember him. I know this is an extreme loss for his family and friends who will miss him. May they all meet again one day. Prayers for his soul and the family and friends who loved him. He will be missed. ❤️❤️❤️❤️🙏
