“ *Kim was like a dad to me during a really hard time in my life. I'll miss him and all the motorcycle rides we'd take listening to classic rock, I'll miss his big belly laugh when we joked around, and I'll miss all the kindness and selflessness he showed everyone in his life. He'll always be remembered as a hard working family man, and my thoughts and endless prayers are with his family today.*

“ I worked with Kim at Ross Poultry back in '79. It was my first job ever. I was 18, just a kid, but Kim was right there to help me and teach me the ropes. I was sorry to see him quit about a year latter. What I remember most about him was he was a good worker, and loved his wife. I ran into him from time to time and he always had a smile and a handshake for me. We'd talk about the old Ross days, and how happy he was with his co-op job. I'm sad to hear of his passing. Having lost a son 3 months ago, I know how his family must feel. I want his children to know they had a great dad. Rest in peace Kim. God bless your family.

“ Kim was a great neighbor of mine! I will sure miss him. I could always count on him if I needed anything at all he would always lend a helping hand to anyone in need. He was a very smart man I asked him when he did the brakes on my car how do you know all of this? He said when he was growing up a his friends dad would help them work on their cars so he picked it up by working on his own cars. Almost every time I come home he would be outside working on something! I will miss seeing him out as well as not having my go to neighbor for help! A very hard working man, loving father, and he sure enjoyed his very smart and loving grandson! My thoughts and prayers to Ruthie and family. RIP Kim gone but never forgotten as a true neighbor and friend! Your Neighbor Kim
