“ I'm Kim's brother, Kevin Palmer. We're still a little stunned at Kim's untimely passing, but are comforted by the many friends and family who joined us in our final farewell to her last week. Thanks to all who have written on this Wall and thanks to Myers Mortuary for making this as comforting an experience as can be expected under the circumstances. Kim was one of a kind who truly loved her family and friends. We'll miss her quirky sense of humor and her big heart. Rest in peace, sister.

“ Oh what a dear and precious sister Kim is, now and forever!!!
Some people have a way of lighting up the room when they walk in and Kim is that way!
Her joy is contagious and her leadership provided a beautiful example of a servant who gave wholeheartedly to the King of Kings and the LORD of LORDS because she loved the Savior with all her heart and all her mind and all her soul...for those of us who have had the great privilege of serving alongside Kim we are blessed beyond measure to be her sister on the frontlines for Life!
I am Looking forward to walking the streets of gold with my precious sister Kim and singing beautiful songs of praises and delighting in the unspeakable joy of the Lord...what a comfort to know that we have eternity together to share and enjoy the wonderful delights that have never been imagined in the thoughts of man...and now Kim is enjoying the wonderful rewards promised to God's faithful and beloved servants.
with love and prayers for your comfort, peace and absolute assurance of seeing Kim again in the not so distant future!!!

“ I loved it when you became part of our family. You fit right in! I finally had someone who liked to talk as much as I do and could talk about ballet! You had a contagious smile and happiness about you. I knew from the minute I met you we would be friends and family. God must have needed a little more sunshine in heaven.

Kim and I were attached at the hip all through high school. Where ever one was the other wasn't far away. Speed skating at Beech Grove Roller Dome , cruising the southside, motor cycle rides to the circle, we were 2 peas in a pod. We even shared our first apartment together. Fly with the Angels my friend, I will forever treasure the memories .

For the last few years, I have volunteered with Kim at the downtown Life Center and I am blessed for having that opportunity. She served the Lord with her own unique style and I am sure many clients felt her love and appreciated her transparency. I will really miss her. My love and prayers are with her family.
