“ Diana, Bobby and Family - I began a friendship with sweet Kris when my Chris was killed in August of 1991. She came to his visitation and we were surprised. She was just standing, looking at him and crying. I hugged her and she shared that "he was the only boy in school who was nice to her". That was my Chris through and through. I guess it must be the name because every time I had seen her since it was "hi Mom Watson" and a big hug. She and I messaged a few months ago when she was in a nursing home. She told me she loved me and I told her I loved her too. Kris, please give my Chris a hug and a big kiss from Mom and let him know I will see him soon. Watch over us all please, because I know no one can like you could sweet girl. Family, you are in my thoughts, prayers and in my heart right where your Kris will always be. Love to you all.

“ She helped out in so many ways for so many people ! Kris was a blessing to Kirk and I the support she gave was unconditional and always got us to laugh and forget for just a few minutes the reality of our world. She will be sadly missed. So fly high my friend we will meet again in the sky !

OMG!?!? This breaks my heart 😞 I just got a text from my good buddy Randi Ludlow to hear about this heartbreaking news. I didn't know her outside of the BOOGIE Biker festival. But Oh the great fun times we had the years she came. 💕 Love you crazy lady. RIP 😊
