“ *Mary Zoe and family,*

So sorry to hear of the death of our dear cousin Buddy. Although we had not seen each other for many years, I always remember him as a fun-loving kid. We wish we could see you to share a smile or a hug. But at least we have a wonderful hope of the day when all our family who have died will be called to life in the resurrection and death will be no more. May you find comfort from family and friends until that day comes.

*Love to all,
Joe, Janet, and Jeff Denney*
