“ Dear grammy, you are the sweetest person I have ever met in my life. The tender and loving granny that I always wanted to have and that God gave me the blessing of being able to know. You left a mark on my life and I will always miss you. My consolation is knowing that you no longer suffer because you are in the presence of our Creator and that one day we will meet again in eternity. A kiss to heaven for you.

“ Querida June, te conocimos y amamos la maravillosa persona que eras. Dios abrió sus brazos para recibir a un ángel. Victor mira la foto que tiene contigo y canta para ti " I love You yeah yeah yeah" y espera que lo oigas en el cielo pues sabe que un día todos te veremos allá. Con amor, tu familia de Chile.
