“ *The Richardson Family are in my prayers and thoughts during this time.
I am so sorry to hear of Larry's passing. I worked with him for several years at the Lebanon Reporter . We had many stories and laughed while working together. I would see him occasionally out and about but had not seen him for a good while.
My Mom and I ran Cattlemen's for a time. When he and Beverly drove a school bus for the Lebanon School System, they would stop in and have Coffee and a snack to visit with us. Larry was quite a jokester. He will be greatly missed
I thought a lot of him and Beverly. RIP Larry ❤️*
