“ *Scott Family,*

I am extremely saddened to learn of Larry's passing.

Larry was such a sweet and funny guy. Almost every Saturday and Sunday I spent a few to several minutes talking with him when I got off

work. A couple of weeks after he started, my first nickname for him was Chuck and then he became Sugar Baby. I wish I knew the last time I saw him, 2 Saturdays ago, would be our goodbye instead of see ya. 🥹🥹

I am going to miss Larry Scott a lot and will always remember him. Your family is and will continue being in my family's prayers as you endure the next few difficult months.

“ Was just thinking about Larry just other day. That I haven't seen him around. Years ago when he work State Highway I was working there also. Over the years out path would cross many times. Would talk about the pass and what we been doing now. The last time I saw him when he work at Meijer. I will miss seeing him around. I could say he was a good person to know.
