I will be unable to attend the service. Laura and I were in grade school and graduated together. She always had a smile. So sorry for your loss but she is free from pain and walking with Jesus.

Several years ago I knew Laura while she was attending the Lebanon Wesleyan Church. She was a faithful follower of Jesus.

“ *Clint and Nikki and family, so sorry for the loss of your mother! It was a joy working with your mom! She was so easy to talk to and I always appreciated her input on things!! I know I didn't get to visit with her at the nursing home, thinking I had more time to go visit! It's never a good idea to put off going and seeing anyone!! Our thoughts and prayers are with each of you!*
