“ *My grand daughters Kadence and Kennedy (the twins) loved Miss Laura! I couldn't tell you how much junk mail they brought home from daycare that belonged to Laura. They loved getting mail and she just let them have it! I loved all the crafts/art projects they brought home. Laura was a special lady with a gift for children. She will be greatly missed by everyone. My thoughts, prayers and condolences for her family, her daycare family, and friends. May she never be forgotten.*

“ We hired Laura at Kincaid’s fitness center when she was just 16 years old to babysit in our childcare room. She was a wonderful person with a beautiful kind soul and beautiful smile. We made her a child care supervisor when she was still young because she was so, so good. I remember asking her once what she wanted to do when she grew up and she said she wanted to run a daycare center and She did it! She also babysat our children and many of my friends children. I remember seeing her sitting on the floor with the kids and just letting them crawl all over her. Her love for children was so apparent and they were drawn to her. That was her special gift. ❤️

“ Laura cared for our grandson, Landry, in her wonderful Imagine This Preschool and Nursery. We'll never forget the many lovely art projects created using prints from Landry's little hands and feet. We proudly displayed these throughout our home. Laura loved and cared for Landry as if he were her son. She was gracious, kind, loving, generous, and tenderhearted. Children were her life, and she positively impacted each of them. She will be greatly missed. May God wrap His loving arms around her family and comfort them as only He can. Our thoughts and prayers are with Lansa, Alansia, Elliana Merilan, Laura's entire family, friends, and the children and staff at Imagine This Preschool and Nursery.

With our deepest sympathies,

Roy and Susan Mitchel

*Laura took care of my son when he was 3 or 4. He is now 20. She was so loving to him. It meant so much to me. I have not seen her for years but I will never forget her.
My condolences for your loss. The world is a little less joyous now.*
