“ *Leona was passionate about her faith. She took every opportunity to spread the word of the Lord to others. She traveled to the Holy Lands many years ago. This was one of the highlights of her life. She loved her family and friends and spending time with them. She was great at conversation and she could make you laugh. She had a great sense of humor. She loved sports. On Sundays she would call me to ask what channel had the Colts broadcast. She also watched the Pacers any chance she got. Leona will be greatly missed by many. Cousin Jane and family*
