“ At Pinnell the 7th or 8th grade class sponsored a roller skating party in Frankfort each year. Lester usually drove the bus and Phyllis went along. Lester and Phyllis entertained us all with their fabulous skating. They were a really neat couple..So sorry for your loss.

*Dear Terry and Doug and Family, our prayers are with your family at this sad time of losing your Dad. He was such a nice man. He raised you boys to have good work ethics and Christian values. Your family was always dear to us since my two sons Reggie and Rick were close friends to you. May God bless and comfort you. In Christian love, David and Joyce (Braziel) Woodard.*

*“ Lester is my first cousin....even though I haven't seen him for years we used to have a lot of family reunions back in the day. Just recently saw Terry...and wouldn't have recognized him either if I hadn't been with Beth! So many great family memories here....how I'd love to see all of my family again! I was much closer in age to my second cousins bc I was a (very!) late in life baby!*

“ I am so sorry to hear of your father's passing. I am the little girl that lived in the house there in New Brunswick for several years, my last name was Scott. I fondly remember your dad driving school but and parking his bus beside the barn on the property. I also recall him putting crops in the fields around our New Brunswick home. He was always kind, gentle and loving to me whenever we would meet. His passing has left a whole that will be very, very hard to fill.
