“ *My great aunt Linda would send us a little something every Christmas for probably the past 30 years. Her little gifts and updates of the family were very exciting to receive. One gift I will never forget, is the fly swatter gun lol. The gun consisted of two fly swatters that separated when you cocked it. Then, you pull the trigger and both swatters would smack together. I remember enjoying visiting with her and the family when they would come down to Texas and visit. May God bless y'all with peace and comfort.*

“ *Dear Sharon and Family, so sad to read of your Mother's passing. What a lovely lady is was. Had so much fun and enjoyed the bowling team at Woodland. But most of all, exchanging Christmas cards and letters. Your Mom was so proud of her family and always shared the latest news about all of you. Feel like I watched her Grandchild grow up on the pages of her letters. She never failed to tell me what great care you always gave her, Sharon. May she forever Rest In Peace.*
