It feels like a lifetime ago when I had the pleasure of knowing Linda. I was the youngest in family, your wife/mom took the time to get to know us all. Linda was kind hearted and treated everyone with respect. My heart goes out to you and to everyone who loved her.

“ Linda,
My dear Sister (in-law), who was a sister I never had growing up. It's been a blessing and an honor to have you as an older sister in my life. Your attitude, a reflection of the Lord, allowed you to be an example I looked up to. Your joyful and bubbly out look on life brought hope and joy to so many, including myself. I thank God for the special person and friend you were. I thank God for allowing us to meet and for you influencing my life in such a positive way. I would have loved to have spent many more days with you, but I am over joyed that the Lord has called you home, allowing you victory over this world of sin and death. Your victory in Christ is my hope! For “It's not so much that we add years to our life as it is that we add life to our years” (author unknown). I will forever treasure the words you last shared with me as I sing the song to my children and other influenced by my life. “My God is so Big so strong and so mighty there's nothing my God can not do!” You are so right! Your faith and confidence shows us the purity of your heart and who you focused on in life and as your fought through your illness. God can heal our bodies over time or He can heal them in a blink of an eye. He has healed your body and I am ever so grateful you no longer have to suffer. We dearly miss you! Our memories with you will be forever treasured and branded with your cheery/bubbly smile. I love you so much! Thank you for touching my life and leaving foot prints on my heart! As Eleanor Roosevelt quoted in one of her poems, “Many people will walk in and out of your life, But only true friends will leave footprints in your heart....”

I love you Linda!

“ My family was shocked and heartbroken to learn of Linda's passing. I met Linda 26 years ago when she was my neighbor and she provided childcare for my newborn son, Taylor. We watched each other's children grow up and have been friends ever since. Linda was truly one of the kindest and most decent people I have ever had the pleasure of knowing. Her smile, laugh and bubbly personality could make your day brighter just because you were around her. I saw her a few weeks ago and had no idea that it would be the last time I would feel that sunshine from being near her. How lucky was I to have known such a beautiful soul. Our deepest sympathy goes out to her family and all those who loved her. She will be missed.

“ I am so sorry for your loss. Linda was an amazing person. She was always thinking of others and how she could help in any way. She and Todd have been so good to our Mom and her Aunt, Juanita Miller. For that, I will forever be grateful. Rest easy, Linda! You were a wonderful friend, wife, mother and grandmother.

“ As I type this message, I am still in disbelief that my dear friend is gone. I remember growing up we were always together. In high school I had a crush on one of the workers that worked in the tomato fields. Linda actually took me out to the tomato field to help pick tomatoes just so I could be near him. Needless to say, we didn't get anywhere near him because the workers left us in the dust. We heard lots of comments, in Spanish of course, and lots of laughter. Linda was that kind of friend. She also helped me through a real rough time in my childhood that I could not go through alone. Once we graduated, and both had little boys, she watched Nathan for me. He and Austin became very good friends. Then came Miss Samantha. They were the three amigos. I moved to Indy before Joel came along. I know she was the best friend a person could have and I know she was the same kind of wife, mother and grandma. She left us way too soon. I will miss her more than words can say. I send my love to Todd, Austin, Samantha and Joel. I know everyone who had the opportunity to meet her, will miss her as well.

My love to you all,
