“ *Dear Campbell family*

So sorry for loss. We have a family friend that was just down the hall from Lois and I walk by her room and was going to stop and say something but she was asleep in the chair. We lost my stepdad the same day who was also at homewood Best wishes to you Dennis and Susan and your families

“ *One of the favorite things I remember about going to Aunt Ruby's as a child was seeing Lois and Loyal and playing with their kids. Loyal was always kidding around and Lois was always kind, sweet, and loving. I send my prayers to Susan and Dennis. I always try to remember that when a Christian dies, they are totally healed and reunited with those who have gone before. I can imagine Loyal welcoming your mom with great big hug using 2 totally functional arms. And your mom light on her feet with a smile from corner to corner. God bless and comfort you, Susan and Dennis!*
