“ *Dear Lynn,*

I will miss you so very much. We were so close in school. And when we Graduated time and miles came between us. Everytime we saw each other we ran to get a hug . I know where you will be , so when it is my time. I hope you are there just past the Clouds and that Golden Gate to meet me. I loved you like a sister. I will be remembering all the fun we had at school and when you stayed the nights over at my house. My Heart Aches now but God will let us see each other again. RIP my Friend. I love you.
