“ *I have so many happy memories of my Aunt Marcella. She was a wonderful person. My Sister and I spent a lot of time at her house when we were kids. There was always so much laughter and happiness when we were there. I remember she had this huge cat I think it was a minx cat and it had big pointy ears and no tail. I wish I could remember its name. That cat was so mean it would swat at you any chance it got. But Marcella loved that cat and it loved her.*

My sister and I would play outside for hours and hours with Kelly and Lee on there farm doing all kinds of crazy (fun) things on there farm and in the fields. Stuff we probably would not let our children do today. But gosh it was awesome fun!

My best memory of Aunt Marcella was during a tornado. All us kids were sitting in the living room watching a Disney Movie and all of a sudden she stands up and yells TORNADO!!!! Every one get in the cellar. I looked out the window and the trees were laying down. As I am running I see the swing set go flying across the yard. Not realizing that she had already opened the cellar hatch I fell right into it. Scared the crap out of me. It is a story my family likes to make fun of me about even to this day

I will miss my Aunt Marcella a lot. My deepest condolences go out to Uncle Larry, Kelly, Lee, Shawn, Dustin, Devin, Alexander and Nicole.

*Love,
Sherry*

“ Marcella was a beloved aunt of mine and I have many happy memories of her from when I was a little girl living in Lebanon. I remember going to her and Uncle Larry's house often and playing on their farm with my sister and cousins. We had such fun out there! Riding Applejack, shucking corn, "swimming" around the hard wood floors upstairs and listening to Donny Osmond! The one thing I will always remember though is whenever we were indoors, I could hear my mom and Aunt Marcella laughing and talking. But when they laughed, it was so funny because they would get each other so tickled, they couldn't stop laughing, which only made them laugh harder. I'd ask, what's so funny? I never got a straight answer, but I loved seeing them have so much fun together. My deepest condolences to Uncle Larry, Kelly, Lee, and Shawn. Marcella had a beautiful heart and soul and you were so lucky to have her as a wife and mother. Much love and big hugs. Cindy Fine
