“ *What a Godly lovely lady Margaret was. I appreciated her musical knowledge and loved serving in the church choir with her.*

“ *I've enjoyed my visits with Margaret and the few times we played (piano and organ) together at Elizaville church... We 'bonded' at first encounter. And enjoyed visits with Her while still in her home. Know she's enjoying seeing her Lord and loved ones.*

Margaret was my student for two years at Kirklin, and a dear friend the rest of her life. My brother, Maurice Myers, connected her with Charles, for their fruitful life together and a lifetime of friendship. She and I shared our love of music and our faith in God. I hadn't seen her recently, but she has been on my mind for several days.
