“ *Gordon and family - I know your hearts are hurting now because of all of the love and happiness Marian gave to you. She always had a hug and smile ready anytime I saw her and I loved her sweet spirit. I never saw her without you, Gordon, and you could see the love between the two of you no matter where you were. May God's love and grace help you through this stage of your journey and hopefully your wonderful memories will help ease your heartache.*

“ *Sadness gives depth. Happiness gives height. Sadness gives roots. Happiness gives branches. Happiness is like a tree going into the sky, and sadness is like the roots going down into the womb of the earth. Both are needed, and the higher a tree goes, the deeper it goes, simultaneously. The bigger the tree, the bigger will be its roots. In fact, it is always in proportion. That's its balance.*
