“ While I had not seen my Aunt Marilyn for many years... through my Dad (her brother) I was always up to date on her life..and then when he passed in 2018... through her daughter Peggy (my cousin)..I have so many happy memories of visiting Aunt Marilyn & Uncle Don in Lebanon when I was little. Playing with Peggy, Patty & Portia...chasing the cows on the farm.. catching fireflies in the yard.. "driving" the tractor.... eating her famous Sugar Cream Pie. It was such a different place than where we lived in Los Angeles.. slower and somehow more real... I remember going to the jewelry store and wanting so badly to buy some earrings.. But my parents wouldn't let me pierce my ears at that age... Uncle Don & Aunt Marilyn had a solution.. They sold these little carved coral flowers at the shop that had glue dots to put on the back...they gave me a set... and voila... I was a grown up with beautiful "pierced" ears... They would come out to California and visit sometimes and I can still hear her voice and remember how loved she always made me feel.. Ironically her birthday is the same day as my Mom... April 12th..who passed in 2014. I don't think I ever knew that ,or if I did I had forgotten...Rest easy Aunt Marilyn.. I know you are now free from pain, free from confusion and surrounded only by love.. I will always remember you and love you. Susi Parkinson (Rader)

“ Our thoughts and prayers goes to Marilyn and her family. It sometimes common in a county office for someone within the office such as the Clerks office to move up to the elected office when the officeholder term limits out. At the time I ran for the office and was elected, none of the staff wanted to run for the office. I was the outsider with little knowledge of the office. Marilyn and the other deputy Clerks remained on my staff, Marilyn was my 1st Deputy. She loved working in the office, truly enjoyed working with the staff, attorneys , anyone who came into the office . Elections always went smoothly, her love of genealogy and assisting visitors doing family research was of great interest. During this time, Marilyn was involved in collecting information, editing and other duties with the History of Boone County Indiana, published in 1984.

Marilyn and Don enjoyed trips in their motorhome to see the air shows in Oskosh or to visit with the girls and their families in Texas. I was saddened when she retired before my second term of office was over, however, she did help out from time to time.

Over the years I had the please of meeting her daughters, her brother , working with Don when he became the Superior Court Bailiff , always had something good to say. Several years ago when I was back in Indiana, I stopped for a visit with Don and Marilyn at their farm.

I cannot say enough about Marilyn, or for that matter, all of my staff who were knowledgeable of all aspects of the office duties and responsibilities to the courts , the elections , always doing their best, cheerful and kind to those we served, the public, attorneys, judges and the other officeholders. She was always pleasant to work with, always a positive attitude, and just "fun" to work with as was everyone. It was a great 8 years our lives.

My best wishes to Marilyn's family
