“ Mark was such a loyal and loving friend...I owe him so much....he helped get me through one of the most difficult times of my life....and he never gave up on me or our friendship! He enjoyed hearing me sing even if no one else did and he always made sure to bring a smile to me when I was down...which during that time was a lot....he taught me of the love of God in a way I had never known....i never felt worthy until he explained to me that Jesus died for our sins and what that meant to God! I owe him so much and I can never say thank you....i am so sorry for the loss the family has sustained, so very sorry

“ *I remember first meeting Mark and the Etchinson family when they moved up to Kentwood, Michigan in the mid-1980's. We immediately became the best of friends. I remember Mark, his camouflage pants and turf sneakers were his everyday gear! Well those were the A-Team days and Mr. T "Pitied the fool"! This young man was special a free spirit! Whether it was riding bikes, WWE wrestling, gymnastics, fireworks Anything... Mark was down to doing it all out to the best of his abilities! I appreciated that about him and God giving me someone to grow through grade school with! Though we lost touch those are the memories that shaped me. He quickly would win the trust and hearts of those he met. My condolences to Marks wife, children, parents and family members. He will definitely be missed. The Ol' Mark E Bird (my father nicknamed him) you are definitely free and flying. Love you old friend! Brad Fields*
