“ *Marty... I just reconnected with a childhood friend (Ronnie Phillips) who asked about you. He was reminiscing about your friendship with his brother and his girlfriend Char. We talked about how good you were to him when his brother and friend Gene went to Viet Nam. I told him that you let me come to the party you had for them before they left for Viet Nam. I miss you sweet Marty and am so glad for all the good memories I have with you!*

“ *I cannot recall a single visit with Marty in which she did not discuss her children. I am sure she will miss them as they her as she will likewise cherish her reunion with Joshua.*
