“ *Mary is my grandmother. She raised me and even after I got old enough to be on my own, she helped me out a lot. My life has changed so much for the better over the last few years, and my one regret is that I wasn't able to show her the person I have become. I have been and will continue to try and live my life as she lived hers. Always loving, always caring, never an unkind word. She was the mother that I strive to be like every day. You will be dearly missed Mamaw. I love you.*
