“ *Grandma,*
I already miss you and loved you very much. Thanks for the great memories during your many visits during my childhood.
I enjoyed visiting you and grandpa at your country home during the summer months, playing many games of yahtzee, catching fireflies, and drinking your fantastic ice tea.
I enjoyed our many phone conversations throughout the years.
Thanks for sending me memorabilia from my childhood and some of grandpa's belongings.
I will always remember many other great things that are too numerous to mention here and that I would like to keep to myself.
I will never forget your kind and loving personality.
I will love you always.
