“ My grandmother was a wonderful person. The memories go on endlessly. I remember how she always dated the canned food in her pantry. I remember the bags of candy in the semi-trucks...going to church with her...coming to my house to wish me happy birthday...homemade noodles at her house...spending the night at her house upstairs...the horse in the pasture...the farm...her having to ride a snowmobile because she was stranded in the winter...sitting in line at the corn bins in the semis...her endless stories. I love you Grandma! Rest in peace. Enjoy your heavenly place. Tell my mother hello from me and that I love her too!
