“Melanie was such a kind and compassionate individual. I met her through caring for her daughter and we eventually became coworkers. Melanie was such a gentle soul. I enjoyed the time I got to spend with her and the Walmart adventures we went on with our individuals. Melanie cared for everyone she met. Melanie was a light in many people's lives. Melanie's love for her daughter never waivered and she was always trying to find ways to help her and others. Melanie's loss will be felt by many. I will continue to keep the family in my thoughts and prayers. May you rest in peace. You made an impact in my life for the short time I was able to spend with you and I will not forget that. I will be praying for you and your family. Rest easy my friend.
