“ *I am one of Melodies Cousins in Northern KY, on her Mother Joans side of the Family. I lost touch with Melodie several years ago, unfortunately. I did inquire about her with other family members, but no one seemed to know her whereabouts. I am sorry that I was unable to reconnect with her before her passing. My prayers go out to any family she remained close and in contact with. May she rest in peace. Sandra M Almas*

“ *Melodie was a friend of mine at Triton Central. I always found her to be very kind, and willing to help anyone in any way possible. She had a tough life, but never lost her compassion for others. Even after many years of not seeing each other, she found the time to bring my youngest child his Baby book and celebrate a new life. Rest in peace, sweet lady. Patti*
