“ *I have many great memories of Mike. Back in the 80s Mike, John Shue, and I used to go to car shows together, no matter where they were. We used to cruise a lot too. Him in his Chevelle, John in his Challenger, me in my TransAm. Mike could fix anything related to cars. We used to just hangout at John's gas station and talk about cars, or just shoot the bull. I lost track of Mike when my kids were born. We drifted apart. I had no idea where he was. Mike was a great guy. Always with that smile. I'm sad to hear he passed. RIP Mike. Prayers for his family 🙏*
