“ *Mike and I became really close friends over 14 years ago. I was his "she friend" as he would say. He of course was my "he friend". We have helped each other through some really rough times. No matter what was going on in his life he always had time to listen to me. I couldn't tell you the hours we have talked. I will always carry your crazy wisdom and friendship with me my dear"he friend" I find peace with all of this knowing you are up there watching over the ones you love and you my dear are finally at peace. Always, your "she friend"*

Mike and I became very close friends over 14 years ago. We have both helped each other through some really rough times. No matter what was going on in his life he always had time for me. No matter what was going on in our lives, we always parted laughing and smiling. I will dearly miss my "he friend" as he would say. I will carry your wisdom and dear friendship in my heart forever. As always PEACE, LOVE, HAPPINESS, always, your " she friend" I wish his family best regards in this hard time. Find peace with in the fact he is in no more pain. He was stronger than he realized.
