“ *I have known Mike since Junior high. He was a year behind me in school. I event to Thorntown and he went to Wells. Several years later I was reacquainted with him at Stookey's tavern. We were sitting at the bar and something clicked in my brain that he looked familiar. He was my cab radio supplier. I bought a sideband base station that had a portable as an inducement. Mike "tuned" each radio. We talked over the years. I kept track of Mike through his brother Joe. Mike was a good guy and my condolences to his family.*

“ We are so sorry to hear of Mike's passing. Our fondest memories are when he would talk to our son on the CB radio. Had the patience of a saint with our son who was only three at the time. So from the Reagans and our son Hong Cong Fooie over and out until we see you in heaven.
