“ *Sarah, you had such a long time with your mom and I know you are so grateful for that. Please always remember how precious your memories are. Time does eventually heal and the pain does get less day by day, but you'll always have your memories. Love you and God Bless you and your family.*

“ *My condolences to Millie's family. I got to know her by taking Communion to her once a month from the Presbyterian Church and very much enjoyed talking with her. She was always dressed up and glad to have visitors. I will miss her.*
