“ *Thinking of the family today as they say goodbye to Monta. Monta was larger than life and will never be forgotten. I never met anyone(besides myself) who loved nothing more than to go shopping and find a great bargain! I feel like Menards might go out of business without her around! 😊 She loved it when I would sing the Indiana Beach song and always had such great stories and the latest gossip on (mostly) people I didn't know! I'll never be able to pass a rural truck stop without her voice in my head telling me "They have THE best food!". Lastly and oh so most important; the one thing I will never forget is the unconditional love and support she had for her family. Monta loved her children and grandchildren without compare. She was so incredibly proud and enthusiastic when it came to anything about her kids! I hope memories like this and the thousands more you have of Monta will help to ease her passing. Montas heart might have been just too big for this world. ❤️*
