“ *My prayers and sympathies go out to Myra's family. When I was a senior in high school, my COE job was at Dr. Dillon's office. I will always remember how nice Myra was to me. She was a great nurse and a wonderful person, and I truly enjoyed getting to know her. Please know I am thinking of all of you at this time.*

“ *My sis was like a mother to me. She was there when I needed someone to talk to. Love ya sis. The times we shared will always make me laugh and cry,they go back many years. You don't haft to be scared of anything with feathers anymore. I could write a book of memories,but I will keep them in my heart.*
