“ *I had the pleasure of meeting Norma in 2019 when I started at Witham. She was such a fun coworker, she always told it like it was and I loved her. She would always talk about her horses and would be out early mornings and in the winter taking care of them after working 8 plus hours at Witham. She was a tough gal, but a fun gal, she loved her beer and her candy drawer at Witham was the best. Norma was a true friend, who had suffered a lot of loss in her lifetime, but she just kept on going forward and working hard. You will be missed Norma, we loved sending you flowers on special occasions from the Pain clinic front office group of Cassie, Jayden and I. We are out of town on the date of her memorial service and I will be unable to attend, but my thoughts and prayers to all of her family. She was one of the best!!!*
