“ *I was so sorry to hear that your Mom passed away. She was such a wonderful lady; always had a smile on her face. She would take time to ask how you were or just to talk with you. I fondly remember the times I and either your sister Julie or Marsha Smith would sub for someone in the Euchre Club. Sometimes I think there was more talking and laughing than card playing at those parties. I had planned on attending the visitation and funeral today. But with things changing rapidly with the coronavirus in the last few days I decided I needed to avoid large gatherings as I do have a compromised immune system. Once again I'm sorry for your loss. You are in my thoughts and prayers.*
