Your Mom has always been a very loving and kind person. Has always known me and would tell me stories about when I was born.....before she had Libby. Libby, you must have a birthday after mine. Anyway, I loved your Mom! Prayers for peace and comfort for all of you.

“ Mary Jane and Jim Limp have known Patti Day for what seems to be a lifetime. She is a true friend and a person we both had such a high regard and respect for. Patti and Mary Jane worked together at Winklers and Jack was one of my best and dearest friends. We attended Purdue together and made many trips to Purdue football games together. We could not have better memories than we share with all the great times we've had with Patti and Jack Day. We have never known any better people than Patti and Jack Day. Her family has our sympathy.

“ My heartfelt condolences to the entire family. I so treasured knowing Patti. She was a beautiful, caring and amazing woman. She will be missed by many. My best memories of her are when I lived across the street from her and Jack. We had so many conversations--- some about life, some about what to cook for dinner. She always spoke from her heart. She loved and treasured her family. May prayers and hugs from all her friends give you strength. Celebrate her life. She was one in a million. Kay McIntire

“ Didn't know pat for long but a couple of weeks. I was sick when I met her and she constantly would tell me to go to the doctor and take care of myself. She thought it was annoying me but I loved knowing she cared. I guess she loved me because she told me she'd adopt me in a heart beat. 💕💕 You're missed greatly patty ❤️

“ I have known Pat for so long. When I was an aide at Parkwood, I took care of her mum. She truly loved her mum and wanted only the best for her. When she went to Homewood to recuperate, she knew me right away. She would tell everyone how good I was to her mum. We had good laughs and great conversations. She will be missed
