“ *I have lots of fond memories of Aunt Louis and Uncle Jim joining mom and dad and us kids at the campgrounds. Lots of fun preparing meals and sitting around the campfire and listening to them talk about anything and everything. Such good memories. See you in heaven Aunt Louise!*

“ My mother was a very sensitive person and preferred to mend any fences when disagreements occurred. She is greatly loved and missed by all of her family. She continued to remain active as possible up until a few weeks ago. this time has gone so fast and we feel like it was just yesterday. Her last outing was to a casino and she was winning. The memory of joy on her face is priceless to those of us with her that evening. I am so happy we were able to provide her that opportunity.  
My mother tried to make the best out of her days so during her time in rehabilitation she looked forward to meal times. Food was always a comfort to her and who doesn't like a good meal. Rest in Peace mom your work is done!
