“ *Our hearts ache for all of you over the loss of this precious life. May God wrap His arms around each of you as you traverse this path of sadness. As mentioned by many, there is comfort in knowing that his grandfather, David Patrick, has welcomed home his dear grandson.*

“ *Mimi loves you and I have since mommy told me she was pregnant. I find great peace knowing that you are with you Papaw David and so many others of our family that have loved you from the moment you were brought into being. O how I wish I could have held you and looked into your eyes. Until we meet . . . Love, Mimi*

“ May God touch each of you as you grieve. Even though God brings these beautiful angels home and we ask why; we do know there's a very special angel protecting you each and everyday!

“ Sweet Patrick. You never felt pain. All you knew was the warmth and comfort of your mama's womb and heartbeat, the soft, loving sound of your fathers voice. Every moment your heart was beating you felt safe and loved. May you Rest In Peace.
