“ *Patty was my dearest friend. We spent a lot of time together in high school and even though we didn't see each other as much after school, just knowing she was married to such a wonderful man, had great kids and adorable grandkids made my heart happy for her. I will miss her so much. My prayers are with Brian and her entire family. My God be with you during this time. I know we all have a beautiful guardian angel looking after us.*

“ Prayers that God will comfort all of Patty's family during this time of loss. Patty was a classmate of mine. Just as she is seen in the pictures posted, she always was a free spirit and had a smile. I am so sorry for your loss. Heaven gained a beautiful angel.
