Paul was a high school friend of mine from New Market. His dad was our minister and baptized me. Paul spent alot of time at our house playing badminton in the summer and ping pong in the wintertime in our basement. We called him Tall Paul because as a teenager, we thought he was tall. My sister, Rita kept in contact with him throughout the years and had dinner with him several times. He was a great guy and we had a lot of fun while they lived in New Market. Nancy Kelsey Powers
